## ELCA Endowment Fund Pooled Trust

The ELCA fund was established in 1997. This is an endowment trust and as such, is different than a traditional endowment that does not allow access to the fund principal. In extreme need situations, with the vote of the council and congregation, Calvary has the ability to access the principal in this fund.

This fund provides annual distributions of 5% of the fund value for use by Calvary according to ELCA guidelines of 25% for ELCA Mission, 25% for Community Outreach and 50% for Calvary needs.
