

Calvary Generosity Forest Form to Identify Donors to Be Recognized *

It is time to begin recognizing the generous donors that have made this physical church and its furnishings possible and have supported/continue to support the special programs and services of Calvary. This is our effort to identify all donors who have contributed a minimum of \$2000 and to honor them on leaves within the "Generosity Forest" on the walls of the church.

Unfortunately, our donation records are not as complete as we would desire. To ensure we don't miss anyone, we are asking everyone who has donated \$2000 or more to the endowment fund, any of the capital or remodeling campaigns, special youth programs/fund raising activities, memorials, anything beyond regular stewardship donations for church operations, to affirm their donation by filling out this form. Your \$2000 donation can result from a single donation or a combination of two or more donations over time, beginning 2006.

If you are aware that your parents, grandparents or other family members made a qualifying contribution, are deceased and you would like them to be honored on a leaf, please fill out a donor form for them. Former members of Calvary who donated to these efforts are also invited to fill out a form and be recognized. Additional forms are available in the church office.

Instructions:
